

Press Release

Organic Standard and Global Gap Standard certifications for Agripalma

23rd January 2018

Since 21st December 2017, Agripalma LDA is officially certified as an organic standard plantation.

On the 11/01/2018 Agripalma LDA has also achieved the Global Gap standard producer certificate.

This is a huge step on reaching our goal of Agriplama's becoming 100% Sustainable.
